

It has come to my attention that K-LOVE (89.3) may be no longer broadcast in this area due to a change in service to LPFM. K-LOVE is a valuable member of our community here in Bismarck, ND. I have K-Love tuned into our radio as I have 2 small children & the music and announcers on K-Love are encouraging, rather than discouraging as some local stations can be. If K-LOVE were no longer broadcast in this area, we would no longer have the quality programming that K-LOVE provides and the effect on the community would certainly be detrimental as many families I know rely on K-LOVE to teach good values & judgements, or directs us to organizations/websites that do. I believe that the service provided by K-LOVE is in the public interest because in a world where values and morals seem to become lower everyday, K-LOVE supports wholesome values and has a positive and encouraging impact whereas other stations do not. Thank you for your time!
